Profile

Experienced Web Developer proficient in MERN Stack and GraphQL, with expertise in both front-end and back-end development. Skilled in React.js, Node.js, Express.js, MongoDB, and GraphQL, with a strong focus on developing responsive, user-friendly web applications and APIs. Collaborative team player with excellent problem-solving abilities and a passion for staying up-to-date with emerging technologies. Looking for an opportunity to apply my skills and experience to a dynamic team and contribute to the success of the organization.
